

Tie Dye Cross Craft

Supplies:

Plain white paper towels

Egg dye or food color

Scissors

Directions:

1. Take the paper towel and bring the bottom right corner up, line up the left edges, and fold.
2. Next, bring up the bottom left corner up, line up the diagonal line, and fold.
3. Then, bring the whole bottom triangle up, and fold.
4. Now take your entire paper towel and fold it in half vertically.
5. Cut on the right edge.
6. That's it!! Unfold and surprise...A Cross.
7. Now here's the fun part! Before you unfold your cross, dip the different corners into your dye to "tie dye" your crosses.
