JUST FOR OUR FBSM Parents:

Pictured left are the students who signed up this past Wednesday night for our brand-new accountability group! This is what it's all about. These student leaders want to "Define Their Next Decade" as they study the book **Don't Waste Your Life** by John Piper together. Please pray for these and other leaders that will be raised up within FBSM.

Can you believe we are already one month into this new decade? How will you define your life and your family this decade? We all just finished a 21-day fast together and what a powerful time it was. Beginning next Wednesday, February 12th, we will be studying friendships with our new message series **Better Than One**. Please know that I am praying for you, your family, and our students, as we continue to draw closer to the Lord more than ever before this new decade!

Thankful for the opportunity to serve you and your students, **Justin**
